This year's workshop plans to have a variety of topics:

- Lecture by Dr. Chris Larson, Team Physician with the Minnesota Vikings
- Lecture by Dr. Carter Muench, Primary Care Sports Medicine Fellow, HCMC
- Lectures by Tom Hunkele, ATC and Rob Roche, ATC, Athletic Trainers with the Minnesota Vikings
- Lecture by Tom Kiff, ATC Orthopedic Fitness and Therapy
- Case Study presentation by students from Gustavus Adolphus College
- Lecture by Jim Diffley, ATC, Institute for Athletic Medicine
- Lecture by Cole Peterson, ATC, Graduate Assistant, University of Minnesota
- Cadaver lab on the Knee, TRIA Orthopaedics
- Cadaver lab on the Elbow, TRIA Orthopaedics
- The annual MATA Bowl-hosted by Paul Westerberg, ATC, Heartland Orthopedic Specialists
- Lunch/refreshments to be provided

Get your MATA Bowl team together to help represent your school. Team will consist of 4 persons (3 active, 1 alternate), 1 team per school. Include team roster with registration form. Winning team will represent MN at the GLATA Annual Winter Meeting—GLATA Bowl!!

Fill out registration form and return with course fee (checks made payable to the MATA) to:
