From the Basics To Emerging Trends in Athletic Training

April 28th-29th, 2017

This conference is designed to provide essential and advanced knowledge to Certified Athletic Trainers.

Register Online: www.mnata.com

Early Bird Registration closes March 31st

Hotel Registration: Call 1-800-277-6963

Reference the MN Athletic Trainers' Association block

Conference Rate: \$104/night

Rate valid until April 6th, 2017

Conference Learning Objectives:

- Identify the role of imaging in the management of injuries
- Describe the advantages and challenges in 3rd Party Reimbursement for athletic training services
- Apply appropriate protocols for return to play decisions after illness
- Discuss the implications of current issues facing an active patient population including musculoskeletal injury, illnesses, opioid concerns, psychological health, performance & analytics, and cardiac health

Featured Topic: 3rd Party Reimbursement for the Athletic Trainer

The MATA is proud to feature 3rd Party Reimbursement at this year's Annual Symposium. We are excited to have Steve Allison, ATC, LAT and Brandon Lorrig, ATC, LAT join us to discuss Wisconsin's efforts in the NATA 3rd Party Reimbursement Pilot Project. We are also excited to have Amy DeRosa from IncreMedical join us to present on the value of Athletic Trainers.
